Report of Guest Lecture on the Enhancement of Scientific Communication Skills for IPR Filling

One day virtual guest lecture on the enhancement of scientific communication skills for IPR filling, organized by the Department of Rural Technology, Dr. C. V. Raman University, Kota, Bilaspur (C. G.) on June 28, 2022.

Professor R. P. Dubey, Honorable Vice Chancellor, Dr. C. V. Raman University while addressing the gathering at the event supported by the Department of Science and Technology, said that IPR should encourage inventors to bring out better inventions and innovations. He said, highlighting the importance of documenting ideas properly and patenting them, In future our country will be known for its scientific creations in different fields ranging from agriculture to space research. “Protection for their intellectual property will be an encouragement to budding scientists to come out with more innovations and inventions,” he added.

Professor Jayati Mitra, Pro Vice Chancellor, Dr. C. V. Raman University also shared her experience to audience. IP Rights sought to protect intangible creations of the human intellect which are beneficial to society. “We have to protect intellectual property and it cannot be done in a manner we generally adopt for physical property,” she said. She pointed out that the university contributes to the upliftment of the research sector. “We need to understand how to protect our publications and research work and at the same time bring it out for the benefit of the public. Awareness should be created about this and subsequently increase our research work.”

Mr. Aabash Kumar Bhoi, Examiner of patent and design, IPR, Delhi was the resource person of this virtual lecture. He gave a brief introduction to IPR and explained the various related terms such as copyrights, patents, communication strategies of research work

etc. It created a great impact on the entire audience. Students were taught on how IPR restricts copying others ideas and how this will help the development of new ideas for the betterment of society. Students learnt how IPR provides total control over a new innovation and its creator. They were also given a platform to discuss how small innovations influence societies at large and how they should indulge in innovating and patenting ideas that will be useful for all classes of individuals in society. More than 43 students, faculty members and academicians of Dr. C. V. Raman University were joined this lecture.

Introduction: The Department of Chemistry organized a one-day invited talk for students for the enhancement of the students' encouragement towards education, which was scheduled on June 23rd, 2022 from 2:00 pm – 3:30 pm. The topic of the invited talk was based on personality development of the students and faculty. The topic An Interactive Talk on language Skill for interview: Organized for Final Year Students by Dr. Ratri Naidu, Shri Shankaracharya Institute of Professional Management and Technology Raipur

Objectives: The aim and objective of organizing invited talks on the above mentioned topics were to provide more and more knowledge to the students.

Significance: The Significance of An Interactive Talk on language Skill for interview. He explained every aspect of this interview from basic level to upper level, in which our students will be benefitted from this. It was very interesting and interactive session.

Details of Experts- Dr. Ratri Naidu, Shri Shankaracharya Institute of Professional Management and Technology Raipur

12) Session-wise/stepwise/Day-wise description:

Dr. Namita Bhardwaj gave the opening remarks for the session on June 23, 2022 at 2:00 pm, during which she provided a brief biography of each of the presenters. The expert presentation, "An Interactive Talk on language Skill for interview: Organized for Final Year Students" was given by Dr. Ratri Naidu of the Shri Shankaracharya Institute of Professional Management and Technology in Raipur. He went over everything from the most fundamental aspects of this Development to the most advanced ways in which our children will benefit from it. The session had a lot of energy and was a lot of fun to participate in. The kids got to talk to the expert at the end and ask questions to make sure they understood everything. Insightful ideas, concepts, and expertise were shared with our pupils in this presentation. Dr. Rashmi Verma, Head of Department of Chemistry, gave the vote of appreciation to round out the day.

Outcome:

The session was quite interesting as well as participatory. The students have the opportunity to communicate with an expert and clear up any confusion regarding their understanding through questioning. This lecture provided our pupils with a wealth of new ideas, concepts, and general information.

डॉ. सी.व्ही.रमन विश्वविद्यालय
करगी रोड कोटा बिलासपुर (छ.ग.)
भाषा विज्ञान विभाग
शीर्षक – “कम्प्यूटर और हिन्दी भाषा”
दिनांक – 19 अप्रैल 2022

डॉ. सी. व्ही. रमन विश्वविद्यालय के भाषा विज्ञान विभाग के द्वारा “कम्प्यूटर और हिन्दी भाषा” विषय पर अतिथि व्याख्यान का आयोजन किया गया है। कार्यक्रम का शुभारंभ स्वागत उद्बोधन की कड़ी को गति देते हुये डॉ. आँचल श्रीवास्तव, सहा. प्राध्यापक (भाषा विज्ञान विभाग) ने अपने भाषण में “कम्प्यूटर और हिन्दी भाषा” पर विचार व्यक्त किये कि आजकल हिन्दी भाषा साहित्य में कम्प्यूटर का महत्व बहुत अधिक बढ़ गया है। हिन्दी भारत की राजभाषा है। और आज कम्प्यूटर के इस युग में हिन्दी ने कम्प्यूटर के साथ मिलकर अपना अपरिमित विकास किया है। कम्प्यूटर पर हिन्दी के निरंतर प्रयोग और विकास ने यह साबित कर दिया है कि कम्प्यूटर पर केवल अंग्रेजी का ही वर्चस्व नहीं रहेगा, उस पर हिन्दी भी अपना अधिकार कर सकती है।

तत्पश्चात मुख्य वक्ता श्री छविलाल सिदार सहा. प्राध्यापक, शासकीय काकतीय स्नातकोत्तर महाविद्यालय जगदलपुर, को व्याख्यान के विषय पर व्याख्यान देने के लिये आमंत्रित किया उन्होंने अपने विचार व्यक्त करते हुए कहा कि हिन्दी भाषा के विकास में कम्प्यूटर का प्रारंभ पश्चिमी देश में हुआ अतः सबसे पहले जो भाषा कम्प्यूटर में प्रयुक्त हुई वह अंग्रेजी थी। अंग्रेजी का वर्चस्व काफी समय तक कम्प्यूटर पर छाया रहा लेकिन लोगो को लगा की इसकी बढ़ती उपयोगिता है तो देशों कम्प्यूटर के लिये अपनी भाषा मे कार्य करने को प्राथमिकता दी। भारत सरकार ने भी इसी दृष्टि से कम्प्यूटर के लिये भारतीय भाषाओं के विकास पर ध्यान दिया। जिनमें राजभाषा हिन्दी पर विशेष ध्यान दिया गया।

अन्त में इन्होंने कहा कि आज कम्प्यूटर पर हिन्दी के बढ़ते प्रयोग ने भी इस बात को आधारहीन कर दिया है कि बिना अंग्रेजी के कम्प्यूटर ज्ञान न तों हासिल किया जा सकता है। और न कम्प्यूटर पर काम किया जा सकता है मूल रूप से कम्प्यूटर पर हिन्दी का प्रयोग विभिन्न क्षेत्रों में व्यापक रूप से होने लगा है। पत्र, टिप्पणी, लेख रिपोर्ट, पत्रिका, वेतन पर्ची,

परीक्षा परिणाम, पुस्तक प्रकाशन इत्यादि कम्प्यूटर पर हिन्दी का प्रयोग विभिन्न विज्ञान प्रौद्योगिकी क्षेत्रों में होने लगा प्रयोजनमूलक हिन्दी इसका पर्याय है। यह बताते हुये अपने व्यक्तव को पूर्ण किया। इसमें 88 प्रतिभागियों ने भाग लिया।

कार्यक्रम के अंत में समापन और आभार प्रदर्शन डॉ. स्नेहलता निर्मलकर सहा. प्राध्यापक हिन्दी के द्वारा सभी महानुभावों का आभार प्रकट किया गया।

व्याख्यान देते हुए श्री छविलाल सिदार

This awareness program was inaugurated by Honourable Vice Chancellor, Professor Dr. R.P. Dubey, Dr. C.V. Raman University, Bilaspur (C.G.). Respected Registrar, Mr. Gaurav Shukla, Dr. C.V. Raman University, Bilaspur (C.G.), Dr. M. K. Tiwari, Principal, Dr. C. V. Raman Institute of Science & Technology were present as dignitaries in the program. All the faculty members from Department of Engineering were present in the Program. Dr. M. K. Tiwari gave the welcome note and invites the resource person to initiate his lecture. Dr. Shushil Kumar Patel Introduced the public speaking as a great way of building personal development on many levels.

OBJECTIVES: Inform the audience, persuade the audience, and entertain the audience, Commemorate a person, occasion or event. The Primary goal of the speech will be determined by the question, what do I want my audience to know, do or feel as a result of my speech?

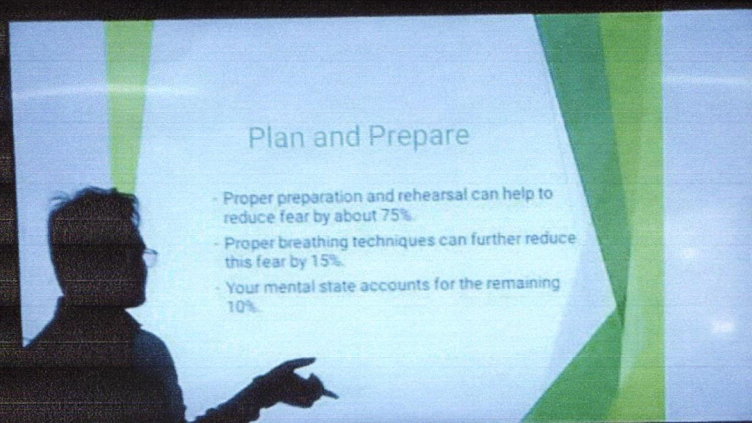

SIGNIFICANCE: Effective public speaking skill can help with career advancement as they indicate creativity, critical thinking skills, leadership abilities, poise, and professionalism which are valuable for the job market.

DETAILS OF RESOURCE PERSONS: Dr. Sushil Kumar Patel, Professor , Pragati College of Engineering , Raipur.

OUTCOME: Public speaking can significantly boost your confidence, overcoming the fears and insecurities that accompany public speaking is empowering. When you write a speech, you have to think carefully about the best framework, persuasive strategy and direction to communicate your message to audience.

Archives: -

Plan and Prepare

- Proper preparation and rehearsal can help to reduce fear by about 75%.
- Proper breathing techniques can further reduce this fear by 15%.
- Your mental state accounts for the remaining 10%.

Guest Lecture on Effective Communication in Educational Administration System

Department of Education, Dr. C.V.Raman University, organized **Guest Lecture on Effective Communication in Educational Administration System** on 27/01/22. The program was started by the welcoming the guest. The guest speaker was heartily welcomed by Dr. Ritesh Mishra Associate Professor & HOD, Department of Education Dr. C.V.Raman University Kota, Bilaspur (C.G.). In welcome speech HOD Dr. Mishra explained the objective and theme of this one day guest lecture based on the topic Effective Communication in Educational Administration System. She said the main aim of this guest lecture is to clarify how effective communication plays a vital role in education system as well as its importance and need.

The guest lecture was started by eminent speaker Mr. Sitesh Kumar, Assistant Professor, Govt. College, Kargi road, Bilaspur (C.G.). Mr. Kumar acknowledged the crowd and said communication skills are very important to communicate with people. Without communication skills, we cannot understand people or we do not know how to communicate with people. He also stated

that Communication is an indispensable fact of human life. The session was very interactive and the lecture aimed to educating the student- teachers about the importance, meaning and scope of Effective Communication in Educational Administration System. In the lecture resource person Mr. Kumar also explain that Communication is a process of understanding between people. When teachers want to communicate with their students, parents, and other people. They have to develop their communication skills as a social being; a human is required to communicate with other people for survival. Humans are influenced by the communication of the real world and vice-versa. In today's world, sometimes, called the "communication era", educational organizations are set up to integrate people into the new "communicative" world. Effective communication in a school setting allows change and the proper shaping of the world, as well as providing a great advantage for the school in reaching its objectives. Maintaining an effective communication process in education depends on the managers responsible for the educational settings, teachers, who play the most fundamental role in the shaping of education, students, who have the potential to shape the world, and families, which are important in shaping children as social beings. He explained various concepts and principles of effective communication in Educational administration system. . He also discussed and explained about Effective Communication helps teachers to run their schools smoothly. The lecture was attended by total 59 B.Ed.and M.Ed. Students and faculty members.

The lecture was finally concluded by creating an interactive discussion platform.

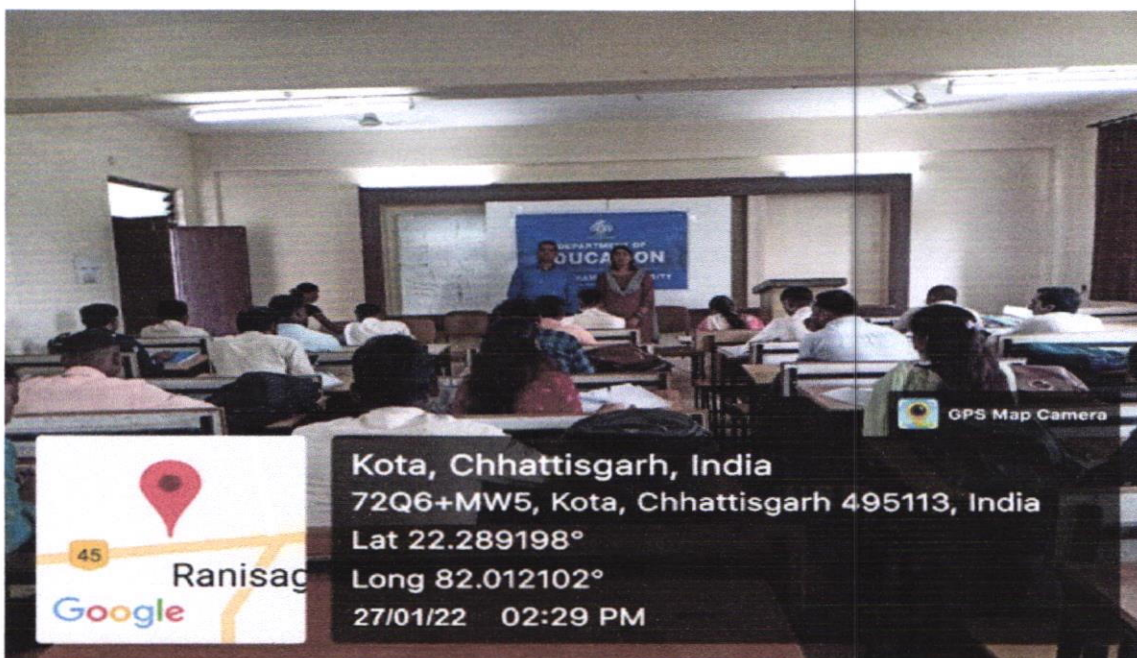

The vote of thanks was given by Dr. Ritesh Mishra, as per the feedback received by the students, it was remarkable experience; the lecture helped them in their understanding towards effective communication in Educational administration system.

Brief Description:

The Department of Engineering has organized a one day Guest lecture on the topic "**PROFICIENCY IN ENGLISH AS AN EMPLOYABILITY** " This event was included guest lecture by the guest, **Ms. JHALAK JAIN , Assistant Professor ,Radharaman Institute Of Technology & Science Bhopal (M.P.)**

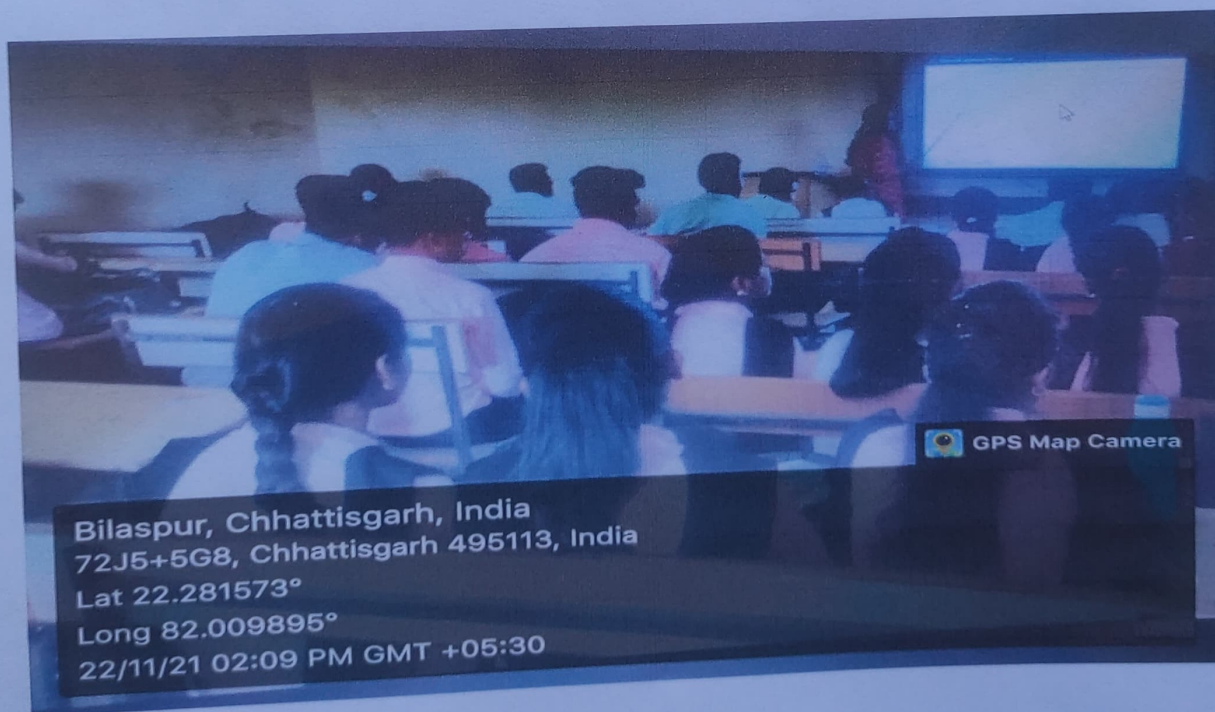

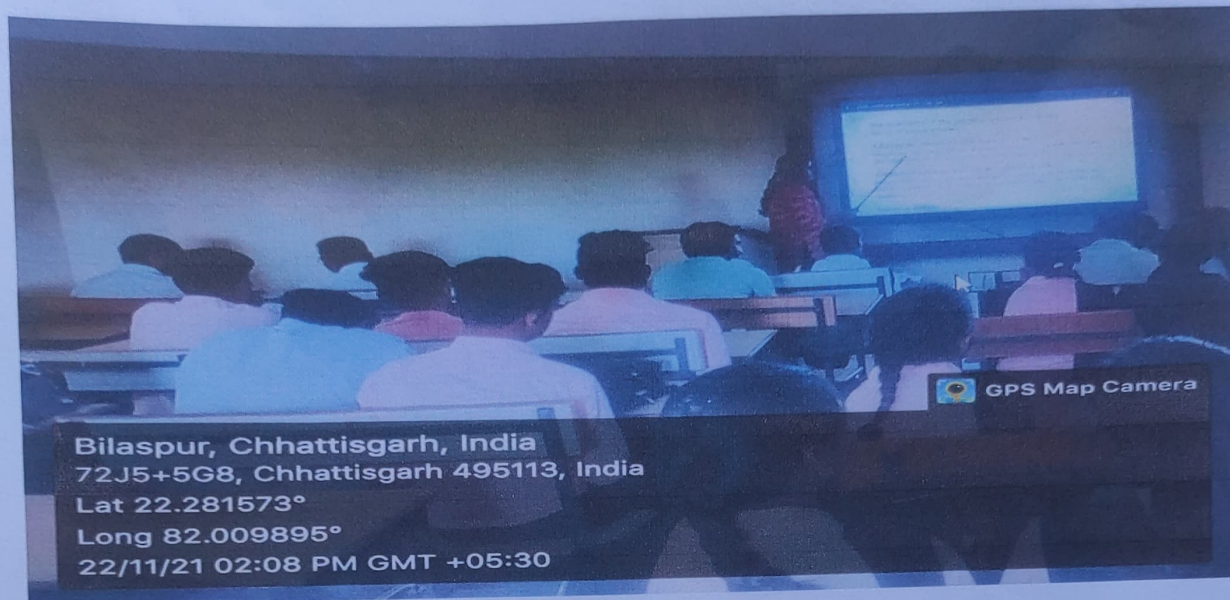

The lecture began with elucidation of the terms Proficiency, Employment, Skill and Career. The speaker made a thought provoking demonstration of the fact that language is a prerequisite for thoughts and ideas. The cycle of Language, Thinking, Communication and Skill was explained in the context of employment and employability skills. The evolution of the human intellect and its immense capacity to acquire, store, process and use the language was explained using various examples.

The speaker expounded on the changes the language has undergone and the need for students to update their vocabulary to meet the employment needs. The concept of the four worlds - Home, School, College, Workplace and the ever growing importance of English in these worlds was explained convincingly. The session then came to its focal point, Job Interview and its prerequisites.

The same was demonstrated through an amusingly thought-provoking video titled ' The Origins of Job Interview'. A handout containing a questionnaire encompassing aspects related to language, communication, soft skills, hard skills, anagrams and some brain teasers was administered to the students. It also included a sample resume.

Report on Guest Lecture

One Day Guest Lecture on Role of Personality in Legal Profession

Organized by: DEPARTMENT OF LAW and IQAC

Date: 30th October 2021

Time: 02:00 pm to 04:00 pm

Detailed Report:

On 30th October, 2021, 46 students of B.Com.LL.B., B.A.LL.BB., LL.B. and LL.M. attend the Programme Role of Personality in Legal Profession conducted by Department of Law. The programme was addressed by Mr. Sunil Sahu, Advocate, Chhattisgarh High Court, Bilaspur.

He began the programme with a really imaginative opening session in which students had to introduce themselves in an unusual way. They had to either provide an adjective, a statement, or a song that best characterises them. They might even describe the significance of their names (without disclosing the identities), allowing others to guess the names! It was a fun ice-breaker activity, and students seemed to like it.

Following the session, there was a discussion about The Self, one's desires, dreams, passions, and motivations. Students were informed how vital their aspirations and desires are for personal development. It was emphasised that they must have a life passion. Students were also given suggestions on how to boost their self-esteem. They were also urged to be cheerful and to approach life with a positive attitude. Most importantly, kids were told to embrace themselves and never lose confidence.

Figure 1: Advocate Sunil Sahu taking session

Next Students were shown portions from Will Smith's film Pursuit of Happiness, in which he tells his youngster, "Don't ever let somebody tell you that you can't achieve anything." Not even myself. Other inspiring videos were also shown to

the pupils. We must

persevere in pursuing our ambitions regardless of what happens and not give in to the negativity surrounding us.

The next activity was an interesting game called 'the animal game'. Students were asked to write down the names of their three favourite animals in order of preference. They were also supposed to write the reasons why those particular animals were dear to them. The characteristics of the third animal that they had named describes the reality of what they are!

In the next activity, the students were divided into 4 groups and each group was allotted a topic for role play. In the end, one member from each group had to speak about the life skills portrayed in the play.

Pupils at a school in India have been learning how Indians were able to avoid the harsh tax imposed on them by winning a cricket match. Aamir Khan's film *Lagaan* was shown to inspire pupils to be optimistic about the future and achieve their

goals.

Figure 2: Students enjoying the P.D. session

To summarise, it was a well-planned programme aimed at pushing students to discover themselves.

This report is certified by Head of the Department.

- 12) **Session-wise/stepwise/Day-wise description:** 01:00 PM to 02:30 PM

Brief Description:

Effective communication requires paying attention to an entire process, not just the content of the message. Great communication is vital for employee job satisfaction, and when a team member (especially a new recruit) is experiencing problems communicating with their team, they are much more likely to quit. **Mr. Sumeet Shrivastava** well explained whether you're a graduate looking for their first job or you're switching careers, landing that first entry-level position is incredibly difficult. These jobs often attract hundreds if not thousands of applicants, so it's difficult to stand out. However, possessing the right communication skills might help tremendously. Whereas you and your peers all have similar qualifications, you are much more likely to get hired if you are a great communicator. When you are communicating with someone, be it in a meeting or on the phone, pay attention to their body language.

Dr. M. K. Tiwari express their views as good communication skills are what helps you seek, absorb, and provide information in the first place. Once you learn how to speak, you gradually learn how to ask questions and express opinions. Once you learn how to read, you gradually gain the ability to read books, instructions, and articles. Once you learn how to write, you gradually gain the ability to write down important knowledge you learn from your teachers and parents in early life, and colleagues and superiors in later life.

At the end Branch Head of Mechanical Engineering **Mr. Nitin Shukla** said Great communication skills are the key to a great first impression — they influence how the people you are working with will view you.

One day interactive session on "Interpersonal Skill Development Program"

One day interactive session On "Interpersonal Skill Development Program" was conducted by Department of Electrical Engineering and IQAC, Venue Dr. C.V Raman University ,kargi road kota Bilaspur on 22-Aug-2018.

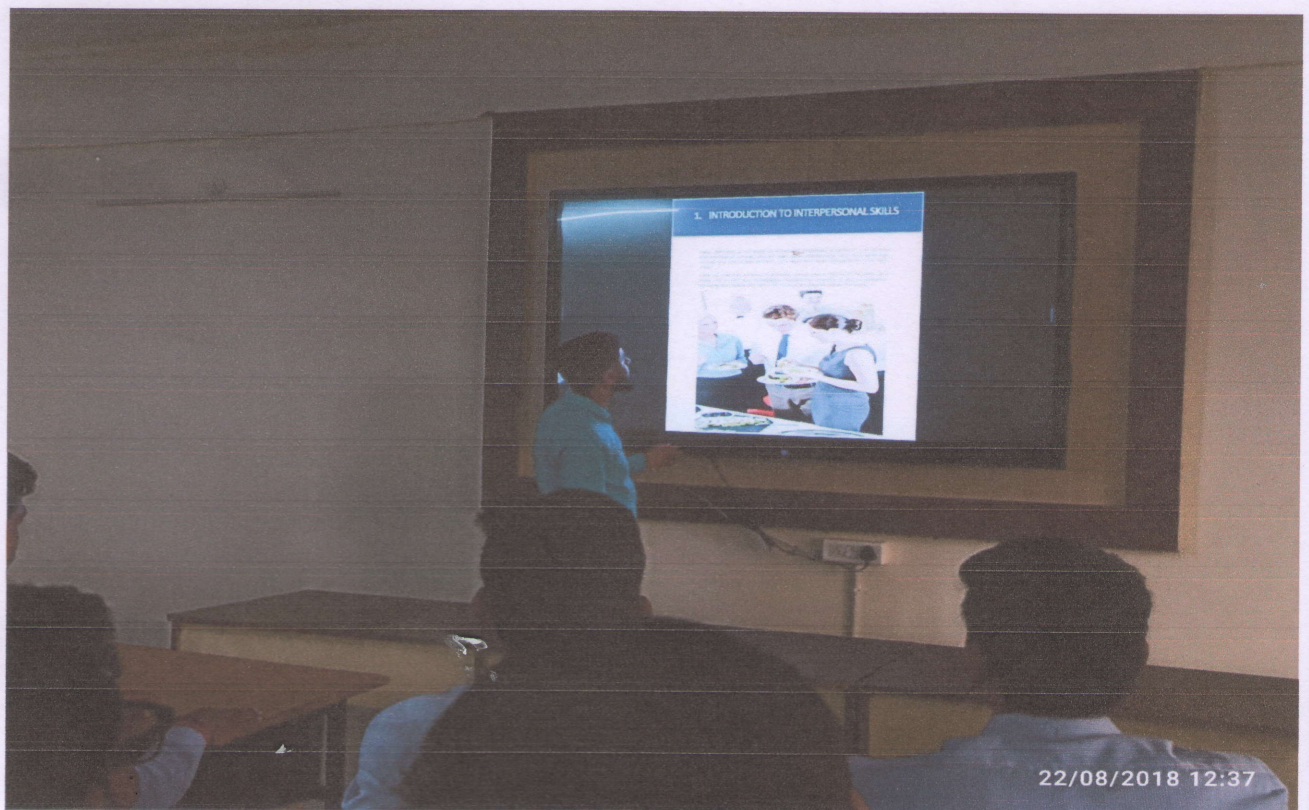

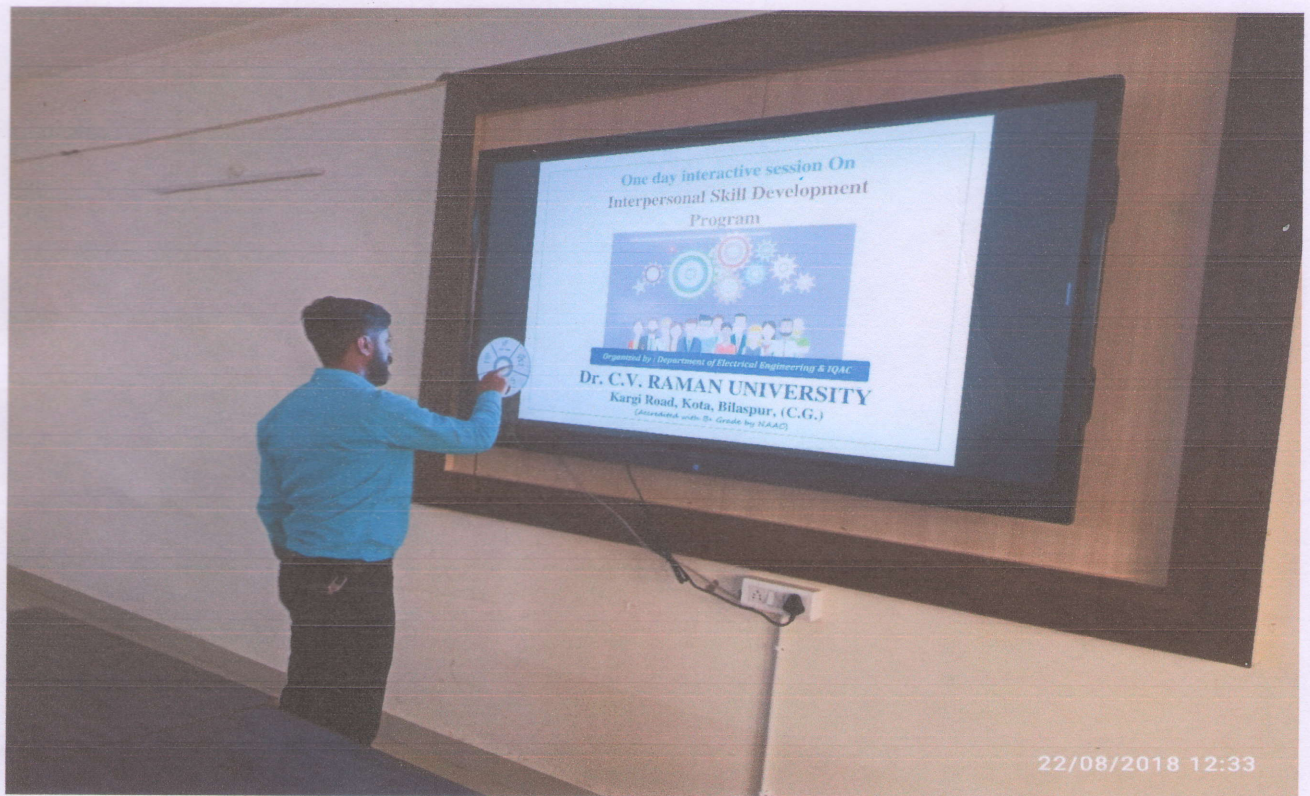

The resource person was Mr. Mausam Sharma, BIT, Durg. Forty students of EE branch participated in the session and enriched their knowledge and skill in Interpersonal Skill Development Program. Sir started his lecture with the brief introduction of Interpersonal Skill Development. Interpersonal skills are those necessary for relating and working with others – such as verbal and non-verbal communication, listening, giving and receiving feedback. Howard Gardner described it as one of the multiple intelligences: interpersonal intelligence or the ability to be able to understand and work effectively with others.

Being able to understand and work with others in teams or groups is another important aspect of interpersonal skills. The focus is on facilitating teamwork, ensuring group effectiveness, decision making, running meetings and presenting work.

Students enjoyed the lecture and got informative session.

Mr. Mausam Sharma congratulated the students for enrolling in the session in large numbers. The vote of thanks which was given by Ms. Durga Sharma, HOD of EE.

Detailed Report: Department of Education jointly with IQAC, Dr. C.V.Raman University, organized a Guest Lecture on “Communication Skills” on 03rd February, 2019. The program was inaugurated by Dr. Jayati Mitra, IQAC Member of Dr. C.V.Raman University, Bilaspur (C.G.).

The guest lecture gathered eminent speaker **Mrs. Ritesh Mishra**, Principal, Shri Rawatpura Sarkar college of Education (C.G.). The lecture was attended by 101 B.Ed. and M.Ed. Final year students and faculty members.

The guest speaker was heartily welcomed by **Dr. JayshankarYadav, Dean Faculty of Education**. The session was very interactive and students participated enthusiastically. The lecture aimed at educating the student- teachers about the importance, meaning and scope of communication, thereby, providing them a wider perspective about using various advanced methods and technological tools in order to reach out to their students effectively. In the beginning of the lecture, **Mrs. Ritesh Mishra** acknowledged the crowd about communication skills with suitable examples. She explained various concepts and principles of communication skills. She also advised the students to incorporate certain skills such as motivation, personality development, stress management and effective leadership qualities to face challenges in the near future. Students absorbed the information & shared their own experiences on the issues. The lecture was finally concluded by creating an interactive discussion platform.

The vote of thanks was given by **Mr. Krishna Kumar Pandey**, Coordinator of Awareness program. As per the feedback received by the students, it was remarkable experience; the lecture helped them in enhancing their understanding.

REPORT OF A LECTURE ON “ONLINE INTERACTIVE SESSION & TECHNOLOGY”

Prog Date: 09.09.2019

Date: 10.09.2019

A Lecture on current topic **“Online Interactive Session & Technology”** had been organized by the Department of Physics and IQAC of Dr. C.V. Raman University, Bilaspur in association with IAPT, RC-10. To know the world in relation to updated research is very important and need of an hour. Technology has no boundary, has no limitation, and has no circumference.

The Resource Person was Dr. Ratankar Palai, USA.

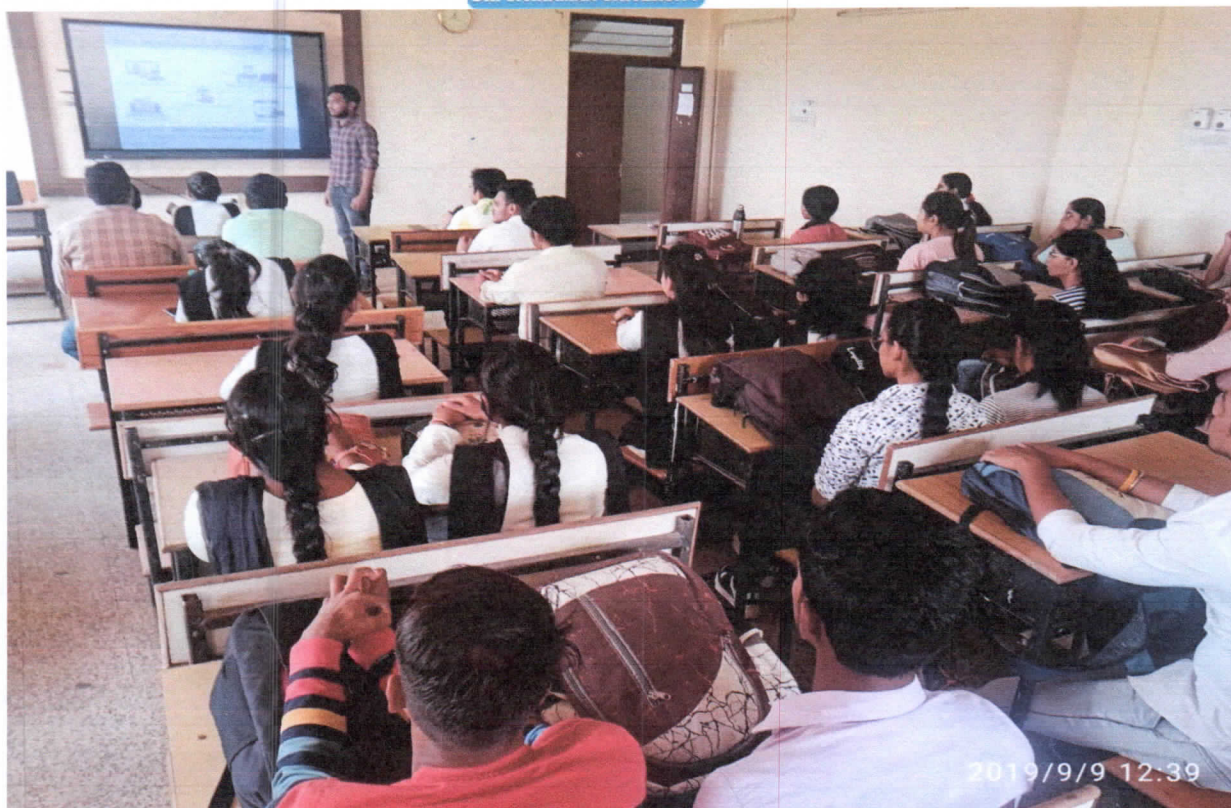

He shared his view lively which has learnt and earned by himself in slide show presentation. During august gathering at Vishwesharaiya Hall whole day he interacted with the students as well as scholars and concluded in a fantastic way. He said that technology makes us independent and we the nation became independent India. The journey from India to USA and USA to India proves us very soon.

Hon'ble Vice-Chancellor Dr. R.P. Dubey, pleased very much with line interactive session and said that interactive session makes us confident and we prepare ourself a lot. Dr. A.K. Shrivastava overwhelmed the programme.

Dr. M.Z. Khan, Mr. Ashutosh Pandey, Mr. Vikas Mishra, Mr. Umakant Shrivastava, Mr. D.V.K. Narasingham, Mr. Sushil Kumar Sharma, Mr. Nitesh Kumar, Mr. Rajesh Kumar, Miss Yamini Yadav, Dr. Rakesh Yadav, Dr. Milan Hait and all academic persons were present in the programme all along.

Our distinguished guest Dr. H.S. Tiwari, Professor of Physics, G.G.U. (Central University), Bilaspur also shared his view on technology and said that technology plays pivotal role in society as well as nation.

Lastly Dr. M.Z. Khan gave vote of thanks.

REPORT OF LECTURE ON “INFORMATION AND COMMUNICATION TECHNOLOGY”

Prog Date: 11.11.2020

Date: 12.11.2020

A Lecture on “**Information and Communication Technology**” had been organized by the Department of Physics and IQAC of Dr. C.V. Raman University, Bilaspur in association with IAPT, RC-10.

Especially in COVID-19 scenario digital platform has proven its importance. No doubt with the help of ICT we have made our life very easy. Dr. A. K. Panigrahi, Professor of Physics, Govt. K. G. Arts & Science College Raigarh delivered a lecture on information and communication technology in a fantastic way. Although he is available due to Ph.D. viva-voce presentation. He started the microprocessor, ICs and performed digital application of ICT. He said that the knowledge ICT is very important in every field. ICT has proven its importance in COVID-19 situation.

Hon’ble Vice Chancellor also stressed that ICT is the need of an hour. Dr. A. K. Shrivastava depicted the practical aspects of ICT with the help of PPT presentation. There were 126 students were present. All the faculty members were present.

Dr. M. Z. Khan, Dr. Ashutosh Pandey, Mr. Vikas Mishra, Mr. Umakant Shrivastava, Mr. D.V.K. Narasingham, Mr. Nitesh Kumar and Miss Priyanka Shukla were present.

Really such type of events as well as programme is beneficial for all type of students because ICT plays important role in every field.

Lastly Mr. Umakant Shrivastava concluded the programme with vote of thanks.

Report on One Day Interactive session on “Communicating Ideas through Storytelling & Design”

The Department of Engineering organized and IQAC an Interactive session on “Communicating Ideas through Storytelling & Design” for the 45 students of Electrical Engineering on 11.02.2021. Dr. Anurag S.D. Rai, ASP/EE of LNCT Engineering College, Bhopal was the resource person for the guest lecture. He delivered the lecture on the “Communicating Ideas through Storytelling & Design” and explained that How storytelling can be used to communicate ideas and also discussed Opportunities to storytelling used to communicate with stakeholders in design.

All the students felt that the lecture was useful and the resource person has also given the feedback about the students that they are very responsive for his lecture.

The vote of thanks which was given by Mrs. Durga Sharma, HOD of EE
